## Hound Publishing to publish the caffeine-fueled comic collection, *On the Grind Volume 2: Electric Brewgaloo*

CHICAGO, February 10, 2014- Hound Publishing, a subsidiary of Hound Comics, will release the comic strip collection, *On the Grind Volume 2: Electric Brewgaloo* worldwide on Wednesday, February 12, 2014. The book, *Electric Brewgaloo*, is the second book collection based on the web comic, *On the Grind*, created by cartoonist George Gant. Hound Publishing released *On the Grind's* first book collection, *The Worst Day Ever! The First On the Grind Treasury*, in 2013.

*On the Grind* originally launched as a web comic in 2008. The strip satirizes the service industry, and is set in a fictional Chicago-Area coffee shop. The employees contend with rude customers, corporate management, local management, zombies, robots, sentient coffee beans, giant spiders, and monsters on a regular basis. A lot of the customer-related stories are based on creator George Gant's own experiences working in the service industry. *On the Grind* premieres a new comic strip every Monday, Wednesday, and Friday.
